VOLUNTEER HOURS	3 hours per session – negotiable (during school terms only)

ORGANISATIONAL PURPOSE

The Brotherhood of St Laurence (BSL) employs over 1200 staff and is supported by approximately 1200 volunteers. Our work is focused in Melbourne and Victoria but branches out through our partners to every state and territory in Australia.

In contemporary Australia, poverty and disadvantage have a strong geographic dimension. The focus of our work is increasingly on places as well as groups of people experiencing hardship such as early school leavers and the unemployed. We create programs which prevent and alleviate poverty during four key life transitions: childhood, adolescence, midlife and retirement.

One of our priorities is to work with state and federal governments and other community organisations to scale up our successful programs. The Brotherhood's approach is informed by the best evidence, including the work of our own research and policy department.

PROGRAM PURPOSE

The Enhancement Activities Program is aligned to this fundamental objective and recognises that the experience of poverty is complex and not only involves economic hardship but exclusion from many aspects of social and civic life. The Enhancement Activities Program encompasses multi-generational and diverse learning opportunities. It aims to support disengaged students to improve connection to the school community and their engagement with learning opportunities, by providing a coordinated approach to before, during and after school activities. Sharing resources across 3 school sites, this program will enhance and extend the child's school day through academic, personal and social opportunities, breaking the cycle of disadvantage and school disengagement.

The Frankston North Education Plan (FNEP) aims to improve the quality of education provision across the Frankston North community in the early, primary and secondary years; along with enabling parents to volunteer in extended school day programs, participate in adult learning opportunities and enhance their learning and employment pathways. Meeting the FNEP's Extended School Day Model, BSL is implementing a collaborative approach to bring together partners, stakeholders and activities to support education programs and student engagement across 3 sites: Aldercourt Primary School, Mahogany Rise Primary School and Monterey Secondary College.
