ORGANISATIONAL PURPOSE

The Brotherhood of St Laurence (BSL) employs over 1200 staff and is supported by approximately 1200 volunteers. Our work is focused in Melbourne and Victoria but branches out through our partners to every state and territory in Australia.

In contemporary Australia, poverty and disadvantage have a strong geographic dimension. The focus of our work is increasingly on places as well as groups of people experiencing hardship such as early school leavers and the unemployed. We create programs which prevent and alleviate poverty during four key life transitions: childhood, adolescence, midlife and retirement.

One of our priorities is to work with state and federal governments and other community organisations to scale up our successful programs. The Brotherhood's approach is informed by the best evidence, including the work of our own research and policy department.
