

Readiness Form

We would like to get to know you in your own words. This form helps us to work out how ready you are to live at the EFY Foyer, how you will fit with other people living in the EFY Foyer and how you would suit living in student accommodation. We also want to know what motivates you, what your strengths are and what challenges you think you may have. We will consider all of your responses to make a decision about whether the EFY Foyer is the place for you.
